Some items can be branded with a company logo or message.

The prices listed are the full retail prices.

A discount will be calculated based on the exact requirements, the number of individual items and the overall size of the order.

Unboxed items can be packaged in a custom-made, personalized box, from 5 euros per item.

Complete orders can be securely prepared and packaged at a cost of 1 euro per kilo, and shipped, at cost, anywhere in the world.

International shipping will incur a fulfillment charge of 5% of the total shipping value.
